Paradigm Quest announces expanded partnership with Macquarie Financial Ltd.

Expands total mortgage assets under management to over \$18 Billion

TORONTO – June 21, 2011 – Paradigm Quest Inc. and Macquarie Financial Ltd. have entered into an agreement in which Paradigm will grow and expand its outsourced mortgage servicing solution to over \$18 billion dollars under administration. Paradigm will provide a fully outsourced mortgage servicing solution for Macquarie’s Canadian residential mortgage portfolio. Under the terms of the agreement, Macquarie has agreed to outsource an additional \$7 billion over and above the \$1.5 billion portfolio already serviced by Paradigm.

“Paradigm’s ability to deliver high quality asset management and excellent customer service has enabled an exciting opportunity to expand its relationship with Macquarie to service its entire residential mortgage portfolio. Our core strength at Paradigm is to build valuable relationships with our business partners. We are thrilled to broaden our partnership with Macquarie and welcome their many talented employees to our organization” said Kathy Gregory, Founding President & CEO of Paradigm Quest.

“We’re very pleased to expand our strong relationship with Paradigm to include our full mortgage portfolio,” said Matt Rady, Head of Macquarie Banking and Financial Services Group, North America. “This partnership enables us to more efficiently run our retail financial services division, while ensuring our mortgage borrowers continue to receive excellent customer service.”

Closing of these agreements is subject to usual conditions precedent and regulatory approvals.
